

Tour Israel with Ken Iveson

Saturday 25th October - Wednesday 5th November 2008

Please accept this invitation to travel to Israel with Ken and Betty Iveson. For 12 days, we will trace some of the life of the Messiah and into the ancient past to view civilisations and culture of Bible times. It will be a great holiday and spiritual experience - try not to miss it!

Turkey with Pastor John Clevely

Saturday 25th October - Sunday 2nd November 2008

"I would love you to join with me on this tour which will explore the rich biblical heritage of the churches addressed in John's vision recorded in the Book of Revelation.

Included is a visit to Ephesus, the great church planted by Paul that grew to many thousands within decades of first receiving the gospel. Here biblical events flow into Church history and we learn about the early centuries of the Church and the Council of Ephesus in 431 AD. Come and discover the City of Istanbul, formerly Constantinople capital of Byzantium - for a thousand years a great centre of Christian worship and witness - until its downfall in 1453.

This promises to be an exciting and moving trip that will inspire you with insight into the working of God across the centuries."
