### **Day 2 - Tuesday**

After breakfast meet with our guide and depart northwards to Pella, the ancient capital of Macedonia and the birthplace of Philip II and that of his son, Alexander the Great. Here we can see the animated pebble mosaics. After our visit we return to Thessaloniki to spend the rest of our journey into the heart of Thessaloniki a city renowned for its well-preserved monuments of Byzantine and Ottoman architecture. Named after the sister of Alexander the Great, this industrious port city was founded in 315 B.C, and today serves as Greece's second major economic and cultural centre, and we will see some of the city's finest historical monuments. Tour the city centre to view the ancient walls, the White Tower, Saint Demetrius, and Saint Sophia. Continue to visit the Rotunda, the oldest building in the city centre, which served as a mausoleum for Emperor Galerius in the 4th century, and now serves as the Church of Saint George.

Dinner and overnight in Thessalonica.

### **Day 3 - Wednesday**

Today's sightseeing includes a full day excursion to Kavalla and the ancient city of Philippi. Drive to the seaside city of Kavalla (biblical Neapolis) where Paul, Silas, Luke, and Timothy first set foot in Europe from Troy. The tour continues along the Via Egnatia, a remnant of Rome's highway, to Philippi. It was here that Paul preached his first sermon in Europe and "baptised a certain woman named Lydia," Europe's first convert to Christianity. While in Philippi, visit the ruins of some of the largest churches ever constructed and the site of Paul's imprisonment. Walk by the stream near where Lydia was baptised.

View the ancient ruins of the Roman City Forum, the market, and early basilicas. See the site where Paul was flogged, imprisoned, and later released. View the 16th century aqueduct built by Suleiman the Magnificent - founder of the Turkish Empire. Continue in Paul's footsteps through Amphipolis and Apollonia. Dinner and overnight in Thessalonica.

### **Day 4 - Thursday**

We leave Thessalonica and travel to Veroia (Berea in the New Testament). Upon arrival, visit the Church of Christ, one of the finest examples of early brick churches. Founded in the 14th century, the church's interior features beautiful frescoes portraying the life of Christ, the Virgin Mary, and the apostles. A modern shrine commemorates Paul's visit. Then we drive southwards and we stop at Vergina to visit the local museum to view the treasures unearthed from a tomb believed to be that of King Philip II of Macedonia, father of Alexander the Great.

We continue on our journey that takes us close to Mount Olympus and then to the famous site of the defeat of the 300 Spartans by the Persian in 480 BC. The three-day battle for the little rocky pass of Thermopylae is the stuff of legend, in which the Spartan King Leonidas died in trying to delay the vast army of Xerxes. This incident occurs between Esther chapters 1 & 2 in the Bible. The mound of the last stand was identified in 1939 and in 1955 King Paul of the Hellenes inaugurated the famous monument to Leonidas and his men. Dinner at the restaurant in Delphi and overnight in the hotel in Delphi.

### **Day 5 - Friday**

From here we depart for Nauplion, the ancient port city crowned by the ramparts of the Palamidi Fortress. We then travel to Epidaurus, the ancient Christian healing centre of the Classical world. Here you will visit the well-preserved theatre for which the city is famous, the theatre of Epidaurus and the ruins of the Asklepi.
