## *Exploring The Covenants*

Led by Dr Clifford Denton

Sunday 3rd - Thursday 14th November 2019

Worldwide Christian Travel

Following a period of research relating to the education of gifted children, based at the University of Oxford, and on behalf of the Department of Education and Science, Dr Clifford Denton was led to work among Muslims and investigate the growing Islamic Challenge.

He went on to join the Prophetic Word Ministries Team in the 1990s where he took responsibility for research into the New Age Movement.

This was followed by five years as a lecturer at the Bible College of Wales and then further involvement with developing Centres for Prayer and Bible Study in different parts of the world. It was at this time that he founded the journal Tishrei to investigate the Jewish Roots of the Christian Faith, involving numerous visits to the Land of Israel.

Now as chairman of Prophecy Today and a Trustee of Issachar Ministries he continues with these areas of ministry, especially concerned that Christians study the entire Bible in a balanced way recognising the continuity of God's purposes through both the New and Old Testaments.
